

LEARN THE RULES
LIKE A PRO,
SO YOU CAN
BREAK THEM
LIKE AN ARTIST!!

-PABLO PICASSO

Who We Are

About Us

We are a bunch of enthusiastic young minds who believe that every person inherits a world of his own dreams in his mind. But it remains in solidarity for a long time due to absence of a proper platform. Here, we are determined to give you a space to sketch out your thoughts, ideas, feelings or anything you desire.
