

About Us

We are a bunch of enthusiastic young minds who believe that every person inherits a world of his own dreams in his mind. Art is present everywhere and in many forms. But it remains in solidarity due to absence of a proper platform. So here we are determined to give everyone a space to sketch out your thoughts, ideas, feelings or anything you desire.

SKETCHES**

*Pour Your Heart In Your
Art Scene The Serenity*

An Artist grows by leaps and bounds when he or she puts artwork in the public eye for feedback, and that is what our Sketchathons are all about. Each Participant's artwork competes with other artworks to emerge as the Winner.

*"Art Washes Away From
The Soul, The Dirt Of
Everyday Life"*

A Flower does not think of competing with the flower next to it. It just blossoms. Similarly, artworks cannot be compared, they just flourish in their own way. So, come and see them flourish them in the Sketch Battles.

A Competition which takes place in Two Rounds. The First Round involves Participants getting divided in various groups and then the TOP 2 from each group are selected on the basis of skills, creativity and votes. The TOP 8 are then put into a Knockout Tournament to decide the winner.
